Participation in Initiatives

Daikin actively participates in a number of initiatives. These venues allow us to address the requests and expectations of society in an appropriate way while communicating and collaborating with various stakeholders including governments, municipalities, international organizations, experts, industry, academia, and other companies.

Initiatives and Groups We Participate In

<p>UN Global Compact</p>	<p>We have participated in the UN Global Compact for sustainable growth since 2008. The Global Compact requires participating companies from around the world to support and implement the 10 principles covering the four areas of human rights, labor, environment and anti-corruption.</p> <p> United Nations Global Compact Company Information https://unglobalcompact.org/what-is-gc/participants/2733</p>	
<p>World Business Council for Sustainable Development</p>	<p>Daikin joined the World Business Council for Sustainable Development (WBCSD) in 2023. The CEOs of more than 200 companies from 35 countries around the world participate in this platform, which cooperates with governments, NGOs, and international organizations on sustainability issues such as climate change, nature, and diversity. Participants share their initiatives and experiences with addressing issues related to sustainable development.</p> <p> World Business Council for Sustainable Development (WBCSD) https://www.wbcsd.org/</p>	
<p>Task Force on Climate-related Financial Disclosures (TCFD)</p>	<p>In May 2019, we stated our endorsement of the recommendations made by the Task Force on Climate-related Financial Disclosures (TCFD) established by the Financial Stability Board (FSB) in order to promote the disclosure of business risks and opportunities attributed to climate change.</p> <p> 018 Management Information Disclosure Based on the TCFD Framework</p> <p> Task Force on Climate-related Financial Disclosures https://www.fsb-tcfcd.org/</p>	
<p>Japan Climate Initiative (JCI)</p>	<p>A network for increasing information dissemination and discussions among companies, local governments, and NGOs actively engaged in climate change countermeasures, which we have participated in since September 2020.</p> <p> Japan Climate Initiative https://japanclimate.org/english/</p>	

<p>Eco-First Program run by Japan's Ministry of the Environment</p>	<p>The Eco-First Program was established by the Ministry of the Environment in 2008 to promote industry-leading companies to take action toward environmental conservation. Companies pledge to the Minister of the Environment to implement their own environmental conservation initiatives. Daikin Industries, Ltd. was certified as an Eco-First Company by the Minister of the Environment in November 2008.</p> <p> Eco-First Promotion Council (eco1st.jp) (available in Japanese only) https://www.eco1st.jp/</p>	
<p>GX Business Working Group run by the Ministry of Economy, Trade and Industry</p>	<p>The GX League was established by the Ministry of Economy, Trade and Industry as a venue for bringing together companies actively promoting a green transformation (GX) to discuss transformation of the socioeconomic system and creating new markets together with players tackling challenges associated with GX in the fields of government, academia and finance. In 2022, Daikin helped establish the GX Business Working Group with six leader companies and 73 member companies to “make rules for market creation” which is one of the initiatives called for in the GX League.</p> <p> GX League (available in Japanese only) https://gx-league.go.jp</p> <p> Daikin joins the newly established “GX Business Working Group” as a leader to Build a Framework and Promote Evaluation and Disclosure on Climate-related Opportunities by GX League https://www.daikin.com/-/media/Project/Daikin/daikin_com/csr/new/pdf/social/press_20220930-pdf</p>	
<p>Keidanren's Challenge Zero</p>	<p>Challenge Zero is an initiative run by Keidanren (Japan Business Federation) in collaboration with the Japanese government to disseminate and promote innovations domestically and internationally by companies and groups for realizing a decarbonized society. We have participated in Challenge Zero since September 2020.</p> <p> Challenge Zero https://www.challenge-zero.jp/en/</p>	
<p>Japan Clean Ocean Material Alliance (CLOMA)</p>	<p>Japan Clean Ocean Material Alliance (CLOMA) is a platform for strengthening collaboration and accelerating innovation among a wide range of affiliated members that transcends industry types in order to address the issue of ocean plastic waste. Daikin has been a member of CLOMA since 2019.</p> <p> Japan Clean Ocean Material Alliance https://cloma.net/english/</p>
