

# *The Air You Live In*

Air is something that surrounds us 24 hours a day.  
In fact, our existence, as well as the Earth's, depends on it.  
At Daikin, the future of the world's air is our greatest concern.  
We use the knowledge, innovation and technologies,  
dedicated to air, cultivated over many years,  
to improve the quality of air we breathe  
and the quality of lives we live.  
This is our mission.
