## Support in the Relief of Flooding in Thailand

The Daikin Group announces its decision to contribute 30 million yen to the relief of all those affected by the devastating floods in Thailand and the restoration of disaster areas.

Currently, we are investigating the details relating to the timeframe, relief organizations receiving donations, and method of support.

To those suffering from the impact of the floods, we would like to express our deepest sympathy and offer our sincerest hope for the earliest possible recovery and restoration of the disaster areas.
