Notice Regarding Differences Between Consolidated Financial Forecasts and Actual Results for the Six Months Ended September 30, 2026

Daikin Industries, Ltd. (the "Company") hereby announces that its consolidated financial results for the six months ended September 30, 2026, announced today, differ from the consolidated financial forecasts for the same period announced on May 12, 2026, as set forth below.

1. Difference between consolidated Financial Forecasts and Actual results for the Six Months Ended September 30, 2026 (April 1, 2026, through Sep 30, 2026)

	Net sales	Operating income	Ordinary income	Profit attributable to owners of parent	Earnings per share
Previous forecast (A)	Million Yen 2,610,000	Million Yen 258,000	Million Yen 244,000	Million Yen 163,000	Yen 556.61
Actual results (B)	2,910,766	270,793	247,188	172,959	612.34
Difference (B − A)	300,766	12,793	3,188	14,395	—
Percentage change (%)	11.5	5.0	1.3	9.5	—

2. Reason for the Difference

Despite the continued challenging business environment, consolidated net sales for the six months ended September 30, 2026, exceeded the previous forecast by 11.5%, primarily due to efforts to expand sales of high-value-added products across regions and businesses, as well as the favorable impact of the yen's depreciation.
